Ordering Information

Preset — Pricing & Lead Times

Initiate a Custom Color request through our Concierge Specials team. Upon completion of custom request, a special paint finish code will be made available for order entry. Use the special paint finish code to place your order using the Grade 3 paint upcharge.

Consult the Paint Matrix in the Surface Materials Reference Guide for eligible products and the Specification Guide for Grade 3 paint upcharges.

If a custom paint finish code already exists, proceed directly to order entry.

Lead-time is an additional 20 working days to standard published lead-time after the order is received.

Rapid Specials — Pricing & Lead Times

Request a bid quote from your Coalesse Sales Consultant or our Concierge Specials Team. Quotes will be provided within 24 hours and are based upon order quantities without a minimum. Our Concierge Specials Team will guide you through the process from specials quote to order entry and delivery.

Lead time is an additional 20 working days to standard published lead times after the order is received, and a strike-off is approved, if required.

The final quote will be provided for orders to be released into production after all approvals are received.

Customizer Specials — Pricing & Lead Times

For the LessThanFive chair — use the Coalesse Customizer (<https://customizer.coalesse.com/>) as a visualization tool to explore applying custom color to LessThanFive. To place an order, design your chair and send a request to **Start an Order** through the Coalesse Customizer. The Concierge Specials Team will guide you through the process from quote to delivery, including all requirements and approvals to produce your custom color.

Upcharges for 1 color or 2 color fade are based on tiered volumes:

1	+\$300 list per unit
2-9	+\$225 list per unit
10-29	+\$150 list per unit
30+	+\$75 list per unit

Lead time is an additional 15 working days to standard non-stock published lead times after the order is received and strike-offs approved, if required.

The final quote will be provided for orders to be released into production after all approvals are received.

Coalesse Pattern
