

HOLY DAY

Jean-Marie Massaud, Spain

coalesse®

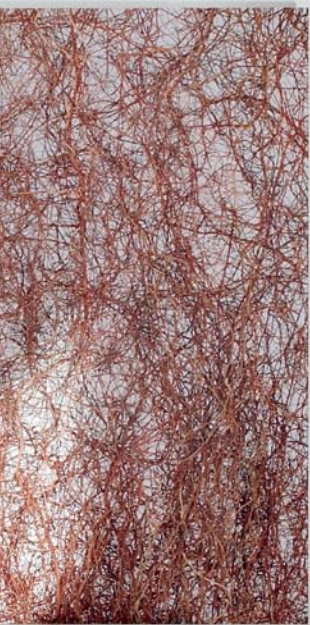

Modern Classic.

Inspired by the architecture of Ludwig Mies van der Rohe, Holy Day conjugates design, architecture and art with naturalness and a never-before-seen style.

———— The Holy Day collection is a marriage of glass and chrome combined with leather or upholstery to create a sleek, contemporary classic. A prestige piece. The lounge and table collection is ideal for public or residential high visibility areas. Holy Day tables are spare, clean, and architecturally- inspired elements of interior space design.

———— Holy Day is modern and architectural- an influenced collection of lounge seating and tables in round, square and rectangle shapes. The seating is available in leather or fabric and has an optional contrasting saddle stitch for accent and greater detail.
